JOINT RESOLUTION RECOGNIZING APRIL 18, 2023 AS  
WORLD AMATEUR RADIO DAY

WHEREAS, Amateur Radio has continued to provide a bridge between people, societies and countries by creating friendships and the sharing of ideas; and

WHEREAS, Amateur Radio communication has evolved from crude spark-gap technology to true digital communication, integrating the use of computers and radio to communicate locally as well as worldwide, and continually pushing the technical boundaries through experimentation and innovation; and

WHEREAS, on April 18, 1925, the International Amateur Radio Union was founded, which illustrates how international cooperation and communication are hallmarks of amateur radio; and

WHEREAS, the International Amateur Radio Union has given amateur radio a voice in developing international agreements that allow amateurs to communicate over international borders; and

WHEREAS, there are more than 2.5 million amateur radio operators worldwide, with nearly 780,000 in the United States and about 4,500 in the State of Maine; and

WHEREAS, each year on April 18th, amateur radio operators throughout the world celebrate World Amateur Radio Day and sponsor special events to promote and publicize amateur radio; and

WHEREAS, amateur radio is a licensed service for noncommercial use and, at times of emergency or natural disasters, is often the only dependable way to communicate locally, statewide, or internationally — examples include the ice

storm of 1998, Hurricane Katrina, the Boston Marathon bombing and countless other disasters; and

WHEREAS, many Maine amateur radio operators serve their local and county Emergency Management Agencies by training and exercising in case their skills are needed during times of emergency; and

WHEREAS, amateur radio operators volunteer their equipment and time to provide this valuable service and Maine amateur radio operators routinely provide public service communications for such events as the Dempsey Challenge, the Trek Across Maine, Beach to Beacon 10K Road Race, New England Forest Rally, Kenduskeag Stream Canoe Race, Can-Am Crown International Sled Dog Race, Loon Echo Bike Trek, Mount Desert Island Marathon, and the Northwoods Gravel Grind; now, therefore, be it
